

Job Title: Flexible Hours Cycling Instructor

Job Reference: CTUK_IR17

Contract Type: Fixed Term (July – Sept 2017)

Salary: £13.72 p/h (gross)

Hours: Flexible

Working days: Flexible, with at least one weekend day.

Application deadline: 31/05/2017

What we're looking for

Cycle Training UK Ltd is recruiting cycling instructors on flexible hours contracts to deliver more cycle skills training over the summer, principally in the London Borough of Ealing, the City of London and from our office in South Bermondsey.

We also deliver cycle skills sessions on behalf of Transport for London to employees across the capital, so the ability to travel to different areas by bike is essential.

Cycle maintenance skills and recognized qualifications, such as City and Guilds Cycle Mechanics or Cytech, are also highly desirable qualities.

You will be a qualified National Standard Instructor, registered with an ITO, having at least 6 months cycle training experience in London and the South East. Provisionally accredited instructors are also welcome to apply, provided you meet the desired criteria in the Person Specification.

Your ability to think on your feet, to manage risk dynamically in changing off- and on-road scenarios and to communicate calmly, clearly and assertively in English to a broad range of people are all essential requirements for the role.

You will have an excellent attitude to timekeeping, diary management and administrative tasks such as sessional feedback, paperwork and incident reporting.

You will be a keen cyclist, acting as a role model for trainee cyclists in London and having the ability to fluently communicate the benefits of cycling as a mode of transport.

This role is subject to holding a valid First Aid Qualification and an Enhanced DBS Certificate.

Who we are

Cycle Training UK Ltd. is a not-for-profit workers' co-operative, delivering cycle training and other cycling-related products since 1998.

We have a set of key principles that we abide by:

Cycling Promotion

We promote cycling as a form of transport. We train to increase people's skills and confidence.

Realistic Training

Our road training takes place on real roads in real conditions. When people want to make specific journeys we take them through those journeys,

Inclusiveness

Cycling is for everyone and, whatever their age, level of ability or mobility, we work with people to improve their enjoyment of cycling. We show parents that cycling safely on road is perfectly possible for their children.

Assertive Cycling

Assertive road positioning and behaviour are really important to minimise risk. We teach people to use as much road space as they need to travel safely and effectively. We do not believe that cycle lanes are a requirement for safe cycling.

Simplicity

To cycle all you need is a bike. You do not need special clothes to cycle.

Sustainability

In the future we anticipate that many more people will cycle, there will be more public acceptance of cycling and conditions for cyclists will improve.

How to apply

If you would like to apply to become one of our instructors, please complete the attached Application Form and send it to Tim Le Rougetel – tim@cycletraining.co.uk – no later than **Wednesday 31st May 17:00**. Please clearly state your full name and the Job Reference in the subject line of the email. Interviews are likely to take place the week beginning Monday 6th June.

Cycle Training UK reserves the right to close the application process earlier than the advertised date if we receive a large number of applications.
